# UMN Indonesian Experience Program 2026

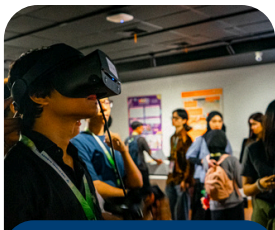

January 18-23, 2026

Experience an unforgettable journey at Universitas Multimedia Nusantara (UMN) through the Indonesian Experience Program. Immerse yourself in the richness of the language, culture, and society while exploring how technology can shape a better future. Through hands-on workshops and inspiring educational tours, you'll see history come alive and discover how innovative solutions can address real-world challenges.

This transformative program will broaden your cultural horizons and equip you with future-ready skills. It offers unique insights, fosters meaningful friendships, and leaves you inspired to create positive change—both within your community and across the globe.

Earn  
**3 Credit Course**  
on AI Implementation

## Insightful workshops

Join an inspiring workshop combining AI topics—like AI for women empowerment and environmental conservation.

## Memorable Destinations

Immerse yourself in Indonesian architectural heritage while enjoying the vibrant lifestyle of Jakarta Metropolitan area.

## Cultural Exposure

Expose yourself to rich Indonesian cultural experiences, including Bahasa Indonesia, Indonesian cuisine and Balinese culture.

## Global Network

Broaden your global perspective by meeting like-minded individuals from many countries, build lasting international friendship.

# Testimonies

"I felt proud to be a part of such meaningful initiative and grateful for the people I met and the lessons I learned. Though it was hard to say goodbye, I left with memories and values that I'll carry for a lifetime"

**Paul Andrey B. Medalla**

Southern Leyte State University, The Philippines

"Representing Malaysia in front of an international audience filled me with pride. Watching performances from other countries opened my eyes to the beauty of cultural diversity"

**Farhah Nabila Binti Mohd Rosli**

Universiti Teknologi MARA, Malaysia

"Whether through group projects or discussions on global challenges, the program fostered an environment of international collaboration, provided hands-on experience in cross-border teamwork"

**Nang Yadanar Hlaing**

Kirk University, Thailand

"Participants benefit from valuable international exposure, gaining insights into innovative practices and global trends—all set within the dynamic and technology-driven atmosphere of Universitas Multimedia Nusantara"

**Ashitosh Gavali**

D . Y. Patil Institute of Management studies, India

"I returned home feeling more open-minded, more grounded, and more prepared for what lies ahead. It was a short journey, but the impact it left on me will stay for a long time"

**Soeurn Sopeakvatey**

University of Technology and Entrepreneurship, Cambodia
